Invitation letter

Expert training in Artificial Intelligence for product development at Karume Institute of Science and Technology in Zanzibar

Dear _____,

I am pleased to invite you to the Expert training in Artificial Intelligence training at Karume Institute of Science and Technology in Zanzibar.

The training will be held from 26 November to 02 December, 2023.

PURPOSE

The goal of this Artificial Intelligence training is to share knowledge and experience in the areas of artificial intelligence and machine learning. This is nowadays fundamental to any engineer, developer or manager.

It is aimed at researchers and developers from academia and industry, as well as experienced students working in these fields. Companies are invited to participate in the conference and the exhibition organized within the conference.

Agenda

- 26/11 Introduction
- 27/11 Smart cities & introduction to Artificial intelligence
- 28/11 Machine learning - regression & practical sessions
- 29/11 Logistic regression, cross validation and feature engineering
- 30/11 decision trees & practical sessions
- 01/12 Introduction to deep learning & use case "air quality"
- 02/12 Wrap-up

Co-funded by
